FAIRFIELD COMMUNITY FOUNDATION

MISSION STATEMENT

The Fairfield Community Foundation exists to enhance and strengthen the quality of life for the citizens of Fairfield City and Fairfield Township.

Our Foundation shall accomplish that by:

- Providing a means for individuals and organizations with varied interests and levels of donations to give back to their community, both during and after their lifetimes.
- Using responsible stewardship in developing and managing permanent endowment funds for community needs such as support of education, community resources, arts, culture, parks, beautification, recreation, historic preservation and needs of families, senior citizens, youth, and the challenged of our community.
- Assessing and responding to existing, emerging, and changing community needs and opportunities.
- Providing leadership to shape the future and build a healthy, strong, compassionate community.

PURPOSE:

The Fairfield Community Foundation's grant program is dedicated to improving the quality of life in our community by supporting a wide range of organizations, both new and old, which carry out projects in the following areas:

- Arts & Culture
- Parks, Beautification and Recreation
- Historic Preservation
- Youth, Seniors and Disabilities
- Scholarships
- Character Education

As we are a local foundation funded through the generosity of our community's citizens, organizations must provide projects or services of direct benefit to citizens of Fairfield and Fairfield Township.

POLICIES:

Grant making policy and specific grant decisions are made by the Board of Trustees. The size and number of grants are directly related to the amount of money available each year and the restrictions donors have placed upon the use of certain funds.
