A Season of Giving

As we reflect upon the Fairfield Community Foundation’s 9th year, we present to you this report of our activities and accomplishments. We are proud to be part of the community as we celebrate our seasons of giving.
In Memorium

Joe Nuxhall
1928-2007

We all miss our friend, Joe Nuxhall, who left us on November 15, 2007. His legacy lives on at the Fairfield Community Foundation through the Joe Nuxhall Character Education Fund, the Joe Nuxhall Hope Project and the Joe Nuxhall Scholarships. Joe also lives on in the hearts of thousands of children and grown-up children in Fairfield, Cincinnati and beyond. Our lives are enriched by his examples of character, generosity and humility.

We are all better for having known him.

A Letter to the Community

Community foundations are unique organizations with a very special mission – raising private dollars, investing them wisely and awarding scholarships to students and grants to worthy nonprofit organizations.

We are one of six community foundations in Butler County, one of 77 in Ohio, and one of more than 700 in the United States.

In 1999, a group of forward thinking citizens had a vision to provide for the permanent security of local philanthropy. They planted a seed in the form of the establishment of a community foundation, as a means for donors to make a charitable investment in their own community.

As we move through 2009 and beyond, we will continue with an emphasis on strengthening our administrative funds, which underwrite the daily costs of running the Foundation.

We are thrilled to report that your local community foundation is surviving and thriving, and embarking on its tenth year. Here's to many more!

A special challenge for us...

The Fairfield Community Foundation is a grass-roots organization started by citizens to serve Fairfield and Fairfield Township. Our greatest need is always for donations to our Administrative Cost/Endowment Fund to help run the Foundation on a daily basis. Much of the money coming into the Foundation is earmarked for restricted funds, like parks, scholarships and the elderly.

Each day, we must pay our bills and run the foundation office with all its associated costs. Our reality is that we experience inflation and the cost of "doing business" just like everyone else. We must continually attract new donors. We must make the time necessary to be a good steward of existing funds. This remains one of our greatest challenges.

An investment in our Administrative Fund maximizes our granting impact. Please remember us in your charitable giving.

The Fairfield Community Foundation runs completely on charitable donations from people like you!

Our Seven Funding Areas

- Unrestricted
- Scholarships
- Character Education
- Arts and Culture
- Parks, Beautification and Recreation
- Historic Preservation
- Seniors, Youth and Handicapped Citizens

"I resolved to stop accumulating and begin the infinitely more serious and difficult task of wise distribution."

What is a Community Foundation?

Community foundations are public charities created by and for the people in a local area. We help people with philanthropic interests to easily and effectively support the issues they care about — today, or through their estates. Through the generosity of today’s donors, community foundations build endowments to meet community needs of the future.

Creating Your Own Named Fund

Donors can rely on the foundation’s grants committee to make grants reflecting community needs.

We are an attractive alternative to starting a private foundation, since we handle all record keeping, reporting to the IRS, accounting, and investment management.

Donors who establish a fund at a community foundation benefit from the highest available tax deductions for charitable contributions.

Donors can establish a variety of funds, depending on their financial and charitable goals.

Donors can create a fund through which their family can recommend grants, ensuring that future generations learn the value of giving back.

We pool the assets of individual funds, giving us economies of scale to hire top investment managers.

Donors can choose to be anonymous in their giving.

We are governed by leaders with strong ties to their communities.

Community foundations build endowments to ensure that grants are always available to support the community, and ensure donors’ interests and legacy are honored forever.

Contact the Fairfield Community Foundation office for information on how to set up your own named fund.

Mission Statement

To enhance and strengthen the quality of life for the citizens of Fairfield City and Fairfield Township and surrounding areas by assessing community needs and securing & expanding resources to meet those needs.

Joe Nuxhall Memorial Scholarship Golf Open

For the first time ever, the Fairfield Community Foundation hosted The Joe Nuxhall Memorial Scholarship Golf Open. Held in June at the Elks Country Club, the golf tournament is the main fundraising vehicle for the Joe Nuxhall Scholarship, also now managed by the Fairfield Community Foundation.

Thirteen area high schools (Badin, Ross, New Miami, Fenwick, Edgewood, Hamilton, Fairfield, Middletown, Monroe, Madison, Talawanda, Lakota East and Lakota West) each received $2,000 in scholarship monies from the Fairfield Community Foundation to award graduating seniors.

The selection of the winners was made by the individual schools using the criteria of athletics, academics, need, extra-curricular activities, community service and leadership.

Originally established by Dickerson Distributing Company, more than $500,000 has been distributed through this scholarship over the course of 19 years.

Joe Nuxhall Hope Fund

The Joe Nuxhall Hope Fund helps support several causes, such as the Joe Nuxhall Children’s Center, Joe Nuxhall Character Education Fund, Joe Nuxhall Scholarship Fund, the Reds Rookie Success League and the Miracle League.

On April 3, the second fundraiser for The Hope Project was held to raise money for all these projects. Hundreds attended the event, which netted more than $140,000 for the Joe Nuxhall Hope Fund.

The Reds Rookie Success League is one Hope Fund project that has been going strong for the last two summers! Made possible in part through a $5,000 grant from Baseball Tomorrow to the Fairfield Community Foundation, the Reds Rookie Success League, held in June, is a free summer softball program for 100 economically disadvantaged Butler County youngsters. Held twice weekly at Fairfield’s little league diamonds at Waterworks Park; guest speakers reinforce the “Character Trait of the Week,” such as cooperation and integrity. Organized by teacher Kim Nuxhall, the program also includes free uniforms for the kids and field trips, including a Reds game.

A Salute to Educators

Fairfield Community Foundation’s 9th annual meeting on November 13, 2007 paid tribute to the dedicated educators in our area. 15 teachers, from the private or public schools where Fairfield City and Fairfield Township children attend, were honored.

The honorees were chosen by their respective schools. Each received a wall plaque and a canvas tote bag full of goodies and gift certificates donated by local merchants. “I feel that we are all called to this profession, or we wouldn’t be here,” said honoree Susan Ventling, Fairfield East Elementary fourth grade social studies and math teacher. In addition, nearly $13,000 was raised to help support the Fairfield Community Foundation.

The Tribute Wall

Bob and Helen Wessel, with Bob holding the plaque honoring him on the Wall of Honor at the CommunityArts Center.

In March, we thanked Robert F. Wessel for his long standing dedication to our community by honoring him with a place on the Foundation’s Tribute Wall at the CommunityArts Center.

Wessel has been credited with laying the foundation of the village, and then the city of Fairfield, in the mid 1950s.

“We are a far better community for your service,” said Foundation Trustee Gregg Stagg, at the awards presentation.

“We have enjoyed 56 fun filled years in this community,” said Wessel, who served as Fairfield’s first mayor. “I am greatly interested in the city, particularly, and I want it to be the best place to live in the whole wide world.”

In 2006, the Foundation formally dedicated its Tribute Wall at the Community Arts Center. Since then, five outstanding citizens have been honored on the wall. The wall pays homage to “citizens whose tireless and selfless efforts have made our city a better place to live.”

Esther Benzing was the first citizen to be honored on the wall. In May of 2006, the Foundation held a reception to honor her memory as well as the next three inductees: the late Dr. Robert Cropenbaker, Thomas O. Marsh and Joe Nuxhall.

Through the years, the Foundation will continue to honor local philanthropists -- those who selflessly give of their resources and time to enrich our community.

New Trustees

Kathleen Michitti and Jacqueline Uhler, CPA, have each been appointed to three-year terms on the Fairfield Community Foundation Board of Trustees.

Michitti is an active member of the Fairfield Women Club and has a history of volunteer involvement with the Foundation. She has also lent her time and talents to the Fairfield School PTC, Fairfield Food Pantry, Sacred Heart Church and the Community Quilt Connection. This past spring, Kathleen was named Volunteer of the Year for the City of Fairfield.

Uhler is an accountant with Mellott & Mellott in Cincinnati. She is a member of Fairfield Rotary and is on the board of the Timber Hill Restoration Coalition. Uhler holds a Bachelor of Science degree in Accounting from Miami University (1985).

In June we also expressed our appreciation to two long-time founding trustees, Howard Dirksen and Evelyn Jones. Both held key leadership positions within the Foundation, including Howard as president and Evelyn as secretary. We also said “thank you” to Sally Braun, who served three continuous years as president of the Foundation.
We invest our dollars wisely with CinFin Capital Management, and the earnings on those investments are what we use to make our grants and scholarships – our gifts back to the community.
