

November 2021

**Much has happened since this time last year.** Our world has been in a constant state of change. But some things can be counted on, including our commitment to serve the Greater Fairfield community. Your community foundation has been at work providing over \$150,000 in grants and scholarships to worthy recipients this past year. These awards represent an investment in our future.

**We congratulate Linda Yarger on her retirement** and celebrate a new beginning. I have served in non-profit organizations for most of my career and am excited to serve the Fairfield community as the new President of the foundation. Together we can impact Fairfield for good! I love our tagline – “For good, for Fairfield, forever.” It’s not just a tagline though. It’s our promise to you.

**It takes all of us working together for maximum impact. Perhaps you didn’t know that you don’t have to establish a fund in order to contribute to the foundation.** Each year the foundation has community “Angels” who support our work with a tax-deductible gift. If you’re not ready to establish a charitable giving fund, please consider a gift to our **2021 Angel Campaign.** **It’s a wonderful way to support charitable work that impacts your community.** Please consider becoming an “Angel supporter” in your year-end giving strategy.

**If you are interested in knowing how a fund with the foundation may be beneficial for tax purposes, please reach out. Our number is: 513-829-6355.** I would love to have the opportunity to hear about your specific situation and work with you to meet your charitable goals. You can give now and maximize your tax benefits or give through your will to the benefit of your estate. Whatever your charitable goals are, we want to partner with you to assure that Greater Fairfield is impacted by your generosity.

As we gather with our loved ones during the holidays this year, let us be mindful of all the good things in our lives. If we have shelter, food and friendship we are rich indeed. Let us partner together to assure that for years to come, Greater Fairfield is known as a place where people care about their neighbors and where families thrive. **Thank you for considering a gift to our Angel fund.**

Sincerely,

Ronda Croucher  
President
